Sir:

PRELIMINARY AMENDMENT

In order to facilitate allowance of the present application, kindly amend the claims to read as follows:

- Sub B1
1. (Amended) A voice communication system according to claim 221,  
the computer network enabling e-mail communication between said  
nodes and also comprising  
a multiplicity of voice response computers, each voice response  
computer being connected to a node of said computer network and being actuable by an  
input received from one of said multiplicity of telephones via said telephone network  
for communicating voice received via said one of said multiplicity of telephones via e-  
mail over said computer network.
2. (Amended) A voice communication system according to claim 221,  
the computer network enabling e-mail communication between said  
nodes and also comprising  
a multiplicity of voice response computers, each voice response  
computer being connected to a node of said computer network and being actuable by an  
input received from one of said multiplicity of voice response computers via said  
computer network for receiving voice communicated via e-mail over said computer
